# SUPER Support

At the beginning of the season the Varsity Cheerleading squad decided since the football team helps them by raising school spirit they wanted to thank them. The captains of the squad went out and bought supplies and

When asked what was the most memorable thing of the season most players new exactly what they would say. "the most memorable thing of this years season was that we went undefeated this year,"-senior Eric Jones. Many agreed with Jones. Yet other players took the time to think about what they wanted to say.

"The most memorable thing was not that we were undefeated but the reason we were undefeated. The boys on this team came together and treated each other like brothers. There was not one time someone made a selfish play, they helped one another out in times of need."  
-junior Brandon Hart

"This year was an incredible year for the varsity team. Besides being undefeated we managed to become a family, thats not something most teams can say. With all the dinners the night before games and surviving "Hell Week" we got close. I've been on varsity for 3 years and this is the first time I've had that feeling."  
-senior Jordan Banks

The year wasn't all fun though. On the October 7th game against the Clarkston Wolves, senior quarterback Derek Burke was sacked from behind by a Clarkston defenseman. Despite having two broke ribs Burke remained in the game and ended up throwing a 47 foot pass to win the game.

"Our team overcame situations such as injuys and being behind by two touchdowns to coming back and winning or playing with broken bones. We never gave up and I can now say that we deserved to win all the games we worked. We worked in practice and improved our program and it shows."

Seniors Ryan Davis (left) and Justin Day (right) look on as their team makes a play that won them the homecoming game. "I was so nervous for the pass, I thought someone would drop the ball or the pass would be short, but when Brad caught the ball my heart stopped and I knew we won."
