

**ADD MIPA TO THE RESOURCES YOU GET FROM YOUR YEARBOOK COMPANY!**

If you order the  
**72-pica-long turkey sub**  
instead of a footlong,  
MIPA Camp is probably the place for you.

Immerse yourself for five days in our program! Get inspired by instructors who nerd out on the same things you do, and meet students from around the country who are just as excited as you are about creating amazing yearbooks. Leave camp fired up, with new skills and a plan to make your next year's book the best it's ever been.
